

Our Church Vision – The Next Five Years

Mission Statement

We are a family pursuing the mission of Jesus.

We are a diverse family of broken people whose lives are being transformed by Jesus Christ. We exist to see people connected to Jesus and to follow Him in His mission to make disciples.

Strategic Vision

Over the next five years ...

- We envision a church that is engaging **300** attendees weekly through our in-person worship gatherings.
- We envision a church that is baptizing **10%** of our attendees per year.
- We envision a church that is engaging children and students in their own worship gathering that is youth-led and helping to equip them to defend their faith.
- We envision a church that has an intentional discipleship process engaging **75%** of our members.
- We envision a church that is engaging **10%** of our attendees in local, domestic, and global mission trips offered annually.
- We envision a church that owns our own debt free building/training center that is serving as a shared space for the Kingdom and our local community.
- We envision a church that has recorded its own music album.
- We envision a church that is multiplying, having planted **2** healthy church plants.
